WESTPORT, CT, UNITED STATES, April 18, 2023 /EINPresswire.com/ -- The Westport Weston Family YMCA is proud to be participating in Five Days of Action (April 24-28, 2023), a week-long campaign that equips and empowers organizations to protect children from sexual abuse. By taking part in this important campaign and implementing abuse prevention practices year-round, the WWFY is committing to the safety of all children in our community.

WWFY Joins Five Days of Action to protect children from sexual abuse.

The WWFY encourages adults and organizations to join in marking this special week and make the community a safer place for children to live, learn, and play. With summer right around the corner, when children gather for activities and camps, it is a wonderful time to bring attention to the simple ways we can all make the children in our community safer.

The KNOW. SEE. RESPOND. campaign is back again this year, tying in three areas of impact – summer camp, youth sports, and Internet safety.

“YMCAs nationwide take pride in the work we are doing to elevate child safety and educate our communities about keeping kids safe. By joining in the Five Days of Action campaign, we hope to inspire other organizations and members of our community to create safe spaces that protect children from sexual abuse.” says Anjali McCormick, WWFY CEO.
