Summer is about to more exciting and a little more 'purple' with the events at [Hereward Farms](#), a lavender farm just outside Orangeville, Ontario. For the summer, the public can picnic, stroll through rows of fragrant purple blooms, and even pick some to take home.

Hereward Farms is a family-run lavender farm specializing in "farm-to-skin" products created with lavender grown on-site. There are over 6,000 plants to enjoy on their farm.

But the experience doesn't stop there. Hereward Farms is also hosting Nibbles + Sips, a unique event where visitors can enjoy charcuterie and wine in the purple fields, available from July to August.
