

Massive Networks Wins Internet Telephony Product of the Year for the One Pipe Multi-Connect Solution®

Internet Telephony Magazine Selects One Pipe Multi-Connect solution from Massive Networks as Product of the Year.

LOUISVILLE, CO, USA, April 18, 2023

/EINPresswire.com/ -- Massive

Networks is proud to announce that its

[One Pipe Multi-Connect](#) Solution was

selected by as the 2023 Product of the Year Award winner by Internet Telephony Magazine.

Presented by [TMCnet](#), a global, integrated media company, this award recognizes the One Pipe Multi-Connect Solution which has proven to be among the best communications and technology solutions available on the market.

Our One Pipe Multi-Connect solution simplifies your network by reducing the complexity of multi-vendor networks for your multi-location Enterprise”

Kevin Flake CEO Massive Networks

The One Pipe Multi-Connect, Massive Networks’ flagship solution is a [fully-managed network connection](#) that serves as the single circuit for the Cloud Connect, Blended Internet, Office-to-Office, and Data Center Connect services.

Designed to connect businesses to critical assets with ultra-low latency, layer 2 transport and enhanced security on a single high-performance connection, One Pipe Multi-

Connect ensures that businesses have the reliable and scalable connection they need to fully leverage the benefits of working with a modern Managed Network Service Provider like Massive Networks.

“We are extremely excited to receive this prestigious award from Internet Telephony Magazine,” said Kevin Flake, CEO of Massive Networks. “Our One Pipe Multi-Connect solution simplifies your network by reducing the complexity of multi-vendor networks for your multi-location Enterprise, while increasing performance, reliability and consistently rating high in customer service. We are excited to help our partners and customers improve network performance, operational efficiency, cybersecurity hygiene and total cost of ownership.”

"I am honored to recognize Massive Networks with a 2023 Product of the Year Award for its commitment to excellence and innovation," said Rich Tehrani, CEO, TMCnet. "In the opinion of our judges and editorial team, One Pipe Multi-Connect has proven to be among the best communications and technology solutions available on the market. I look forward to continued leadership from Kevin and his team at Massive Networks.

ABOUT MASSIVE NETWORKS:

Massive Networks is a cutting-edge technology company that specializes in providing premium-managed network services and data center solutions to customers and partners worldwide. With a focus on innovation, performance, and customer service, Massive Networks has built a reputation as a leading provider of high-performance connectivity solutions for businesses of all sizes.

At Massive Networks, we understand that modern businesses require reliable and secure connectivity solutions to keep pace with the rapidly evolving digital landscape. To meet this need, we have invested heavily in state-of-the-art network and data center infrastructure that can deliver unparalleled security, performance and scalability.
