==About Ethereal Gold Dispensary==

Ethereal Gold Dispensary is a trusted name in the cannabis industry, offering high-quality and pure cannabis products nationwide via their online dispensary and physically in Waukesha, Wisconsin. They offer hemp-derived cannabinoid products like CBD, Delta-8, Delta-9 and rarer cannabinoids like CBC, CBG, CBN, THCV, HHC, THC-P, THCV and more. Their team has established a unique, stringent quality assurance process (The Ethereal Gold Standard) which includes requiring all products to have real full panel Certificates of Analysis (COA) for every batch. The COA is easily available for consumers to review and includes solvents, microbials, heavy metals, mycotoxins, pesticides, and more. This is above and beyond industry standards, as only potency is required by federal law. The company donates from every single sale to charities that assist communities that have been disproportionately harmed by cannabis prohibition and enforcement.
