## ABOUT

Originally formed in 2019, Baklava Express is a NYC based Middle Eastern fusion project, led by Oud player Josh Kaye. The band performs original music, heavily influenced by the traditions of the Arab world, Turkey, Greece, and Armenia, as well as Jazz, Flamenco, Rock, and Eastern European Folk music. The eclectic influences and vast differences in the musical backgrounds of its members have created a group whose style is distinct, yet genre defiant.

Baklava Express’ members are passionate to follow their goals and future plans, hoping to perform regularly in NYC and putting together a US tour in the not-too-distant future. They are also open to the idea of dropping an original album very soon as well.
