

# SEMIRETIRED AUTHOR REFLECTS ON HIS SEXY TIME IN THE BRONX

*J E Morgan revisits his time in the city, out and about, in his book [A Suite Invitation: Never Say Never](#)*

YORBA LINDA, CALIFORNIA, UNITED STATES, April 19, 2023

/EINPresswire.com/ -- There is nothing more satisfying than an electrifying and insightful read, and not many authors achieve this very often. J E Morgan, however, easily does with his sweet invitation of a book entitled [A Suite Invitation: Never Say Never](#).

*A Suite Invitation: Never Say Never* was published in 2015 by Xlibris US. It is a quick and teasing, and, quite literally, fulfilling read. A compilation of short stories from when the author was still living and enjoying in New York. A quick vacation for readers.

What differs the book from other erotica novels is that it is also packed with philosophical musings, delivered so smoothly and with ease; something J E Morgan seems to be very skilled at.

"The past became a closed door, and I wanted to leave it that way. However, my demons wouldn't allow it, for now I had to pass through a lonely place where time stood still: Purgatory," an excerpt from the book.

*A Suite Invitation: Never Say Never* is perfect for those who are looking for something smart yet sexy, or for those who love a different kind of foreplay.

J E Morgan is a quick-witted author. As a military veteran, retired teacher, actor, and musician, he has a lot to tell. From life lessons to the fun in-betweens of it. His works are his way of revisiting what has been. Today, he is enjoying semiretirement and lives in New Jersey with his wife and
