About Fringe

Born in 1976, Fringe started as a graphic designer before transitioning into the world of fine art. His multimedia pieces and sculptures use branding symbols to evoke emotions and provoke thought. Fringe's work has a definite evolution; each exhibition is a testament to his artistic growth and exploration.

As a visionary South African contemporary artist whose innovative and captivating work transcends borders, exploring the intersections of culture, identity, and personal expression. With a unique and evocative visual language, FRINGE pushes the boundaries of artistic conventions, blending traditional techniques with modern sensibilities to create thought-provoking and emotionally resonant pieces.

Fringe's journey to success is a story of passion, dedication, and hard work. He has held eight major solo exhibitions, showcasing his signature series that have left audiences in awe. His artwork has sold out globally, and it's no surprise why. Each piece is a unique masterpiece that showcases Fringe's incredible talent and unparalleled imagination.

Furthermore, his creativity allows art enthusiasts to be transported into a world of color, irony, and satire. Known as the reigning king of pop art in South Africa, he has a creative sense that knows no bounds and has revolutionized the art world by masterfully blending elements from mass media, digital media, cartoons, and movie culture into his paintings and sculptures.

Fringe's discipline knows no bounds, from oils on canvas to mixed media and resin and bronze sculptures. His artwork truly reflects his artistic spirit, and each piece tells a unique story that captivates and inspires. So get ready to experience the magic of Fringe's art, and join us in celebrating the unparalleled creativity of this pop art genius!
