Kellie Barland, President of Loxxie Hair U.S., stated: "Our production teams are working long hours to create a sufficient inventory to satisfy the increased demand for our premium [hair extensions](#) across all of our distribution channels." Barland further added, "This unique platform offers product discounts, flash sales, early access to promotions, and partnership status with Loxxie Hair."

Loxxie Hair again leads the industry with innovation with their exclusive line of hair extension products and now assisting every stylist regardless of where they are physically located to be part of the most dynamic community of professionals in the beauty industry. Jessica Pollitz, the Utah General Manager and Education Coordinator stated, "We love our own stylists and the thousands that buy our products for themselves and clients. Our hope with this portal is to provide significant discounts that can be passed along to build customer loyalty while still earning a good living in this profession we all love so much."

The Loxxie Hair e-commerce platform continues to be a leader in the industry with simple search functions, sorting ability, weekly and monthly promotions, one of the largest inventories of hair extensions and related products in the industry, and a staff that is creative and very engaged on social media. Clients often get involved in the fun of creating new videos and fun TikTok posts.
