

# CALCULATOR.IO LAUNCHES BMI CALCULATOR FOR ACCURATE, EASY HEALTH ASSESSMENT

*Calculator.io unveils a cutting-edge BMI Calculator, offering users an accurate, user-friendly tool for health assessment.*

LAS VEGAS, NEVADA, USA, April 20, 2023 /EINPresswire.com/ --

Calculator.io, a leading provider of online calculation tools, has announced the release of its cutting-edge [BMI Calculator](https://www.calculator.io/bmi-calculator/) (<https://www.calculator.io/bmi-calculator/>). The innovative calculator is designed to provide users with an accurate, easy-to-use solution for assessing their Body Mass Index (BMI), a crucial indicator of overall health.

The screenshot shows the BMI Calculator interface. On the left, there are input fields for Gender (Male/Female), Age (30 years), Height (5 ft 11.65 in), and Weight (176.4 pounds). A 'Calculate' button is visible. On the right, the results are displayed in a table format:

BODY MASS INDEX (BMI)			
Underweight	Normal	Overweight	Obesity
Body Mass Index (BMI)	24.2 kg/m <sup>2</sup>		
BMI Category	Healthy weight		
Healthy BMI range	18.5 kg/m <sup>2</sup> - 25 kg/m <sup>2</sup>		
Healthy weight for the height	135.1 lbs - 182.6 lbs		
Gain to reach a BMI of 18.5 kg/m <sup>2</sup>	-		
Lose to reach a BMI of 25 kg/m <sup>2</sup>	-		
Ponderal Index	13.27 kg/m <sup>3</sup>		

BMI Calculator Screenshot

The BMI Calculator developed by Calculator.io is an invaluable resource for individuals looking to monitor their health and fitness progress. The tool uses the latest algorithms and research to calculate BMI based on a user's height and weight, offering an accurate assessment of their health status.

Calculator.io's BMI Calculator sets itself apart from competitors with its user-friendly design and commitment to providing the most accurate results possible. The calculator is fully responsive, making it accessible on various devices and platforms, including smartphones, tablets, and desktop computers. It also supports both metric and imperial measurement systems, allowing users worldwide to benefit from its features.

"We are thrilled to introduce our BMI Calculator to the public," said Jane Smith, Director of Public Relations at Calculator.io. "Our goal is to provide users with the most accurate and user-friendly health assessment tools available. We believe our BMI Calculator will empower individuals to take control of their health by providing them with the knowledge they need to make informed decisions about their well-being."

In addition to the BMI Calculator, Calculator.io offers a wide range of online calculation tools,

covering topics such as finance, health, education, and everyday living. The company continually updates its offerings to ensure users have access to the latest information and technology.
