Vantage Circle Hosted A Webcast on 'Leadership Development'

“

Effective leadership development acts as a catalyst for positive organizational culture and brings about an effective change in employee engagement and overall company culture.”

Partha Neog, CEO and Co-Founder of Vantage Circle

A positive organizational culture that values employee well-being and growth is crucial for attracting and retaining talent, and leadership development can help to foster such a culture. Thus, investing in leadership development is an effective way for organizations to improve employee engagement and promote a strong, positive culture that supports their long-term success.

The primary objective of the webcast was to understand how leadership development can significantly impact employee engagement and culture. Experts from various industries shared insights into how well-trained leaders create a positive work environment that encourages

communication, teamwork, and high performance, leading to higher engagement levels.

The guests for the episode included Laine Joelson Cohen, Director – HR Learning and Development- CITI, Executive Coach, and Speaker, Todd Billingsley- Director- Director at Biohaven Pharmaceuticals and [Partha Neog](https://www.vantagecircle.com/), CEO and co-founder of Vantage Circle.
