ENTERPRISE, ALABAMA, UNITED STATES, April 20, 2023

/EINPresswire.com/ -- The boys from CloZure are coming in hot with a brand new single called "Foolish Man" released on 4/20/23.

Having had enormous success with their previous 2 releases gaining over 1,000,000 YouTube views collectively in only 10 months; CloZure is the buzz of both indie and major labels these days.

And with this single, they deliver another solid punch to the rock world!

"Foolish Man" is The World Debut of CloZure's New Frontman Joshua Hodge.

Having consistency is vital to a bands' success. However, all the pieces of the puzzle have to fit. Bringing Joshua on to lead this high powered group was essential to them moving forward. Having a test run at the end of last year with a small tour directly supporting Texas Hippie Coalition, CloZure was ready to embark on the trailblazing journey to greatness. Into the studio and a couple of final mixes later, "Foolish Man" is now available worldwide on all streaming platforms.

But that's not all! In addition to the new music, the band announced their "Heart In My Hand: Act 1" Tour spanning multiple states and sharing the stage on a couple of those dates with Triple Platinum Band Rehab, Scotty Austin, formerly of Saving Abel and Framing The Red.

CloZure is:

Joshua Hodge [lead vocalist],  
Michael Cordle [guitarist],  
Matthew Russell [guitarist],  
Christopher McChord [Bass] and  
Michael McCann [drums].

CloZure is proudly partnered with the following companies:
