NEW YORK CITY, NY, USA, April 26, 2023 /EINPresswire.com/ -- [MediNova NY](https://www.medinovany.org/) is pleased to announce our 11th Gala, a [fundraising](#) event to support healthcare in underserved communities in Northeastern Haiti. This year's gala will take place on Wednesday, May 17, 2023 at 6:00pm at the Museum of Jewish Heritage located at 36 Battery Place, New York, NY.

MediNova NY has been supporting healthcare in Haiti for the past 13 years, with a focus on the Northeast region. This year's gala proceeds will go directly to wards finishing the Philips Pavilion, which is the second building of the Caracol Urgent Care Project. The building will contain two operating rooms, a conventional radiology suite, a CT scan suite and a recovery room.

In recognition of MediNova NY's 13th year in operation, the theme for this year's gala is "Hope within a Dream." Celebrity makeup artist Karen Dupiche, actress Erika Christensen, fashion designer Aisha McShaw, and physicians Dr. Susan Beane and Dr. Purna Atluri will be among the distinguished honorees at this year's Annual MediNova NY Gala, which is anticipated to be the biggest year yet for MediNova NY. The MediNova NY Gala Committee is determined to bridge the gap and make quality healthcare accessible for everyone in Haiti. The event is not just a celebration, but also an opportunity for friends and supporters to come together and contribute to a worthy cause, as they share a commitment to giving back.
