PALM BEACH, FLORIDA, UNITED STATES, April 20, 2023

/EINPresswire.com/ -- The McWhorter Family announced their commitment to donate \$2.5 million to the Rockefeller Archaeological Museum in Jerusalem. The family has been supporters of the museum for several years and are delighted to make this significant donation to further its mission.

The Rockefeller Archaeological Museum was founded in 1918 by John D. Rockefeller Jr. and is home to some of the most important archaeological discoveries in the Middle East. The museum's collection includes artifacts and archaeological finds dating back thousands of years, including pottery, jewelry, statues, and other ancient works of art.

Speaking on behalf of the family, C.K. McWhorter stated, "We are thrilled to be able to support the Rockefeller Archaeological Museum and its mission to preserve and share the rich history of the Middle East. We hope that our donation will help to ensure that this invaluable collection is preserved for future generations to enjoy and learn from."

Their donation will help to secure the future of the museum and allow it to continue to preserve and share our invaluable collection with the world."

The Rockefeller Archaeological Museum is open to the public seven days a week, and visitors are welcome to explore its collection of ancient artifacts and works of art. Thanks to the generosity of C.K. McWhorter and Whitney McWhorter, the museum will continue to be an important cultural institution for years to come.
