

Contact Center Excellence, Brand Slaughtering and Remote Revolution, with Eric Sims

First Contact: Stories of the Call Center podcast is proud to announce the release of their latest episode, with special guest Eric Sims.

CHEYENNE, WYOMING, USA, May 1, 2023 /EINPresswire.com/ -- Join us for a [new episode](#) that sheds light on Eric's journey in the contact center industry, his expertise in building America's #1 fully remote outsourced contact center, Leading Edge Connections (LEC), and the challenges faced in terms of data security and compliance during the pandemic.

Eric Sims is a renowned Contact Center Outsourcing expert who specializes in helping businesses serve their

customers. As the co-founder and CEO of LEC, Eric leads the charge to provide a high-quality, scalable, and cost-effective solution for clients. His weekly podcast, Preventing Brand\$laughter, offers valuable insights and information on protecting brands from self-inflicted sabotage.

“

We wanted to find a way to operationalize a remote contact center solution that was high-quality, scalable, and ultimately cost-effective for our clients.”

Eric Sims

This is episode 3 from season 4 of the [First Contact: Stories of the Call Center](#) podcast; in this captivating talk, Eric shares his experiences in developing a fully remote contact center solution, the importance of understanding each client's specific requirements, and the need for a strong IT team to maintain compliance. He emphasizes the significance of collaboration and customization in making clients feel comfortable and ensuring their business is not at risk.

Christian and Eric discussed several topics:

About NobelBiz:

NobelBiz is a Contact Center software and voice carrier provider that has grown to serve Contact Centers globally.

Being more an extension of its clients' services rather than a direct vendor, the company combines multiple carrier systems into a single unified network with worldwide backups. NobelBiz also offers advanced [Omnichannel software solutions](#) that handle text (email, webchat, SMS), social media, and voice in a single, easy-to-use interface.

The NobelBiz webinar series aims to deliver monthly information-rich episodes that can teach you how to improve your Contact Center business.
