/EINPresswire.com/ -- Beverly
Diamonds, a leading online retailer of
fine jewelry, has announced the
introduction of a layaway plan for their
selection of moissanite engagement
rings. This new payment option will
allow customers to purchase their
dream engagement ring over a longer
period of time, making it more
affordable and accessible.

years as a more affordable alternative to diamonds. Known for its durability and brilliance, moissanite engagement rings have become a popular choice among couples looking for a more ethical and sustainable option.

The new layaway plan offered by Beverly Diamonds will give customers the option to make a small down payment and then make regular payments over the course of several months. This allows customers to spread out the cost of their purchase, making it easier to afford and budget for.

"We are thrilled to offer this new layaway plan to our customers," said a representative from Beverly Diamonds. "We understand that purchasing an engagement ring can be a significant expense, and we want to make it as accessible as possible. Our hope is that by offering a layaway plan, more people will be able to afford the ring of their dreams."

In addition to the new layaway plan, Beverly Diamonds also offers a wide selection of moissanite engagement rings in a variety of styles and price points. Customers can choose from classic
