“

DoD issues STOP THE BLEED® Educational Licenses to qualified organizations that agree to teach DoD approved bleeding control techniques.”

Dr. Matthew Levy, Board Chair of the Stop the Bleed Coalition

DoD approved bleeding control techniques. The DoD's licensing program now includes a streamlined application process and access to a variety of free training materials and other resources. The program is available to any organization seeking to implement or grow their STOP THE BLEED® program as well as organizations planning to offer STOP THE BLEED® classes to their community.

Organizations interested in offering STOP THE BLEED® classes can apply for a DoD Educational License by visiting the [Stop the Bleed Coalition website](#). Approved organizations gain access to free training materials and

other tools and resources provided by the Stop the Bleed Coalition.

A new STOP THE BLEED® Course

The US Department of Defense has approved a new STOP THE BLEED® course developed by Stop the Bleed Coalition. The course combines clinical training with practical information and access to additional STOP THE BLEED® resources for individuals, organizations and communities. It is available at no cost to organizations who have been approved by the DoD to teach approved bleeding control techniques. Visit this page for more information.

The Stop the Bleed Coalition is an IRS approved, tax exempt, 501(c)3 charitable organization. It was formed with a mandate to support the STOP THE BLEED® campaign and is the only nonprofit organization with that singular purpose.
