ST. THOMAS, US VIRGIN ISLANDS, UNITED STATES, April 25, 2023 /EINPresswire.com/ -- [Amphitrite Digital's Seas the Day Charters USVI](#) is resuming its day charters to the British Virgin Islands on Motor Vessel (MV) Aquarius and MV Poseidon, departing from American Yacht Harbor in Red Hook, St. Thomas.

have all missed! Our goal is to make sure every guest has the Best Day of their Vacation with us, whether they stay in the US Virgin Islands, or we cruise them over to Tortola and Jost Van Dyke in the British Virgin Islands."

MV Poseidon is a 36-foot TwinVee PowerCat; this boat is known for its speed and stability while still maintaining comfort and allowing guests to stay dry. It is one of the most comfortable powerboats on the island. MV Poseidon also features a Fusion sound system with Bluetooth stereo and its low draft and transom ladder allow guests to be dropped within a few feet of the beach.

Each private charter includes your captain, water, ice, soda, beer and plenty of snorkeling gear.

Among the destinations guests can visit:

- Norman Island, well known for its many caves and hidden bays and also for carrying its name from the book "Treasure Island" by Robert Louis Stephenson. The island has several documented stories of found buried treasures. The three caves at water level are ideal for snorkeling with an abundance of tropical fish and coral.
