

Board of Innovation releases a new report “The Age of Creative AI”

The global innovation firm's newest report discusses the power of generative AI for today's businesses

NEW YORK, NY, UNITED STATES, April 27, 2023 /EINPresswire.com/ -- [Board of Innovation](#), the leading global innovation firm, has released a new report titled “[The Age of Creative AI](#), How to Innovate in the Post Chat-GPT World” for business leaders who want to take their business to new heights by leveraging the power of generative

AI. The report highlights how creative AI is set to fundamentally change the way businesses innovate, create and compete in the era of machine learning and artificial intelligence.

“

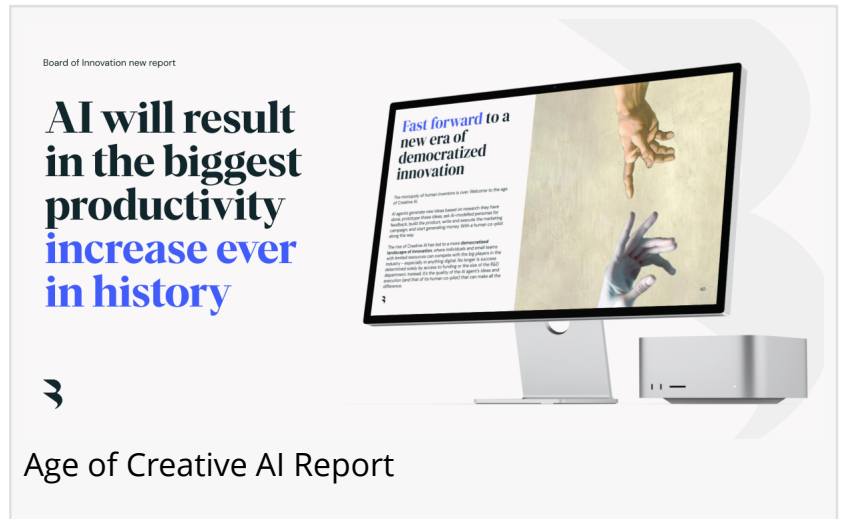

Creative AI is set to disrupt the innovation landscape. Our report is designed to provide innovation leaders with the tools they need to harness the power of Creative AI for their businesses.”

Philippe De Ridder, Founder & CEO of Board of Innovation

"Creative AI is set to disrupt the innovation landscape," said Philippe De Ridder, Founder & CEO of Board of Innovation. "Our report is designed to provide innovation leaders and teams with the tools they need to harness the power of Creative AI and unlock new possibilities for their businesses."

The report is based on extensive and in-depth analysis of topics including the evolution and latest advancements in the field of Creative AI and its potential to bring about breakthrough results for businesses. This report will serve as an important resource for ambitious innovation leaders with practical insights like:

- Three frameworks to define the strategic response to future-proof the business
- 18+ practical examples and use cases
- 20+ curated tools to get started with AI powered innovation
- The challenges and limitations of Creative AI

- Predictions about the direction of Creative AI
- Best practices to leverage Creative AI to outrank the competition

The report is available to download on Board of Innovation's website. For more information on "The Age of Creative AI" and to download the report, please visit
