WASHINGTON, DC, UNITED STATES, April 25, 2023 /EINPresswire.com/ -- The United States Hispanic Business Council's (USHBC) President and CEO, [Javier Palomarez](#), issued the following statement regarding President Biden's selection of his 2024 Campaign Manager, Julie Chávez Rodríguez:

"It's a great pleasure to see Julie Chávez Rodríguez in a position that would further the interests of American small businesses in the Hispanic community as Campaign Manager for the Biden-Harris 2024 Campaign. As she embarks on this new conquest, I wish her all the success and hope that her work with the campaign will enable small businesses across the U.S. to have a voice. I have had the pleasure of

speaking with Julie on numerous occasions about the challenges facing Hispanic communities and small businesses, and hope she will remain focused on these critical issues throughout the campaign. As the granddaughter of the iconic Hispanic leader Cesar Chávez, Julie brings a unique perspective of our community to the table that will be crucial for the campaign."
