

Miratech Named Winner of the Global InfoSec Award 2023

Oleg Khudiakov, Miratech's Information Security Director, has been named a Top Chief Information Security Officer in the 11th Annual Global InfoSec Awards.

NEW YORK, NEW YORK, USA, April 25, 2023 /EINPresswire.com/ -- [Miratech](#), a leading global IT services and consulting company, announced today that Cyber Defense Magazine (CDM), the industry's leading electronic information security magazine, has named Oleg Khudiakov, Miratech's Information Security Director, a Top Chief Information Security Officer in 11th Annual Global InfoSec Awards at #RSAC 2023.

“We’re thrilled to receive one of the most prestigious and coveted [cybersecurity](#) awards in the world from Cyber Defense Magazine during their 11th anniversary as an independent cybersecurity news and information provider. We knew the competition would be tough, and with top judges who are leading infosec experts from around the globe, we couldn’t be more pleased,” said Oleg Khudiakov, Miratech’s Information Security Director.

The project involved the creation of a detailed plan with multiple action items across 16 domains. The project underwent rigorous testing, providing the highest level of security while remaining cost-effective. Miratech's continued investment in cybersecurity expertise

demonstrates its commitment to providing its clients with the best possible protection against cyber threats.

“Miratech embodies three major features we judges look for to become [winners](#): understanding tomorrow’s threats today, providing a cost-effective solution, and innovating in unexpected ways that can help mitigate cyber risk and get one step ahead of the next breach,” said Gary S.

Miliefsky, Publisher of Cyber Defense Magazine.

About CDM InfoSec Awards

This is Cyber Defense Magazine's tenth year of honoring InfoSec innovators from around the Globe. Our submission requirements are for any startup, early stage, later stage, or public companies in the INFORMATION SECURITY (INFOSEC) space who believe they have a unique and compelling value proposition for their product or service. Learn more at www.cyberdefenseawards.com

About the Judging

The judges are CISSP, FMDHS, CEH, and certified security professionals who voted based on their independent review of the company-submitted materials on the website of each submission, including but not limited to data sheets, white papers, product literature, and other market variables. CDM has a flexible philosophy to find more innovative players with new and unique technologies than the one with the most customers or money in the bank. CDM is always asking, "What's Next?" so we are looking for best-of-breed, next-generation InfoSec solutions.
