ABOUT ExtremeMist PCS

Portable misting experts with two main product lines based out of Scottsdale, Arizona. Personal Cooling System (PCS) Our main product line was introduced to the outdoor community as a 2-in-1 hydration backpack with a built in mist system for personal cooling and other portable outdoor misting applications.

The Personal cooling system backpack is like no other

hydration pack on the market to date. Recover faster, and extend the life of any outdoor activity by drinking and misting from the same system. Our Blue pump technology atomizes water into mist at 170psi as it mimics sweat to help cool you down as it evaporates from skin contact. ExtremeMist (PCS) Personal cooling system will allow you to recover faster and extend any outdoor activity by cooling the surrounding air temperature by up to 30 degrees.
