The CEO Show reaches its 50th radio station

DARIEN, CT, USA, April 25, 2023 /EINPresswire.com/ -- This week, the nationally syndicated radio program, The [CEO](#) Show, celebrates a significant milestone with the announcement of its 50th radio station. The 1-hour program, hosted by Robert Reiss, interviews the world's top CEOs in-depth on timeless leadership philosophies including business models, personal challenges, and success. The CEO Show has been cited as the "#1 podcast for CEOs in America," and airs out of 30 states across America from Connecticut to California, including the Virgin Islands and Puerto Rico for a total of 94 times a week now from 50 AM/FM radio stations. Robert Reiss began the show from WGCH 1490 AM (Greenwich Connecticut) on Friday, April 13, 2007, where his first guest was David Neeleman, founding CEO of JetBlue.

Reiss shared, "I started the CEO Show because I personally wanted to learn about business and success but there wasn't a source where I could hear from CEOs unfiltered – so I found a radio station who would air CEO interviews and it turned out people really wanted to learn directly from CEOs."

Reiss' interviews include the CEOs of: American Airlines, AT&T, Bank of America, Brooks Brothers, eBay, Eileen Fisher, Fortune, General Motors, The Home Depot, HSBC, Kaiser Permanente, Kathy Ireland Worldwide, Linked-In, Marriott, NBA, P&G, Siemens Corporation, Verizon, Walmart, Whole Foods, and many more.

The CEO Show has become known for providing listeners with valuable insights and behind-the-scenes stories from some of the world's most influential leaders. The addition of the 50th radio station is a testament to the program's continued success and popularity. The team at The CEO Show is excited to continue providing listeners high-quality interviews with top CEOs across the nation. Be sure to tune in to The CEO Show on your local radio station, or catch up on past episodes through the program's podcast.
