We are proud of Summerhill Village and appreciate the honor as a top community in the nation. The MHI award is given for work that propels the industry forward, re-visioning, redeveloping or building”

“We are incredibly proud of [Summerhill Village](#) and appreciate this honor as a top community in the nation. The MHI award is given for work that propels the industry forward, re-visioning, redeveloping or building new communities that set the standard for the future. In the next 50 years, the manufactured housing industry will look nothing like it has over the last 50, and that’s a very good thing. We’re participants in leading that change and Summerhill Village is a great example,” said Michael

Callaghan, Managing Partner of Four Leaf Properties.

The Summerhill Village redevelopment was launched just over 24 months ago as a complete redevelopment project. New roads, infrastructure, homes and an expansive amenity center that is the centerpiece of community life were completed in late 2022. The [FLPLife](#) resident lifestyle experience also launched delivering the perks, services, programming and amenities that make the community experience awesome.
