This year's Great Tryke Giveaway will benefit 23 children from Los Angeles County and nine from Orange County, diagnosed with conditions such as Cerebral Palsy, Autism, Arthrogryposis, and Muscular Dystrophy. Each adaptive tricycle, valued at \$1,000, has been funded by events organized by LATLC, including their recent 3-on-3 Basketball Tournament. Since 2017, LATLC has contributed over 125 adaptive tricycles to children in need, with past recipients from LATLC and OCTLC joining the festivities.

The family-friendly event will feature engaging activities such as art projects, games, face painting, and balloon twisting. In addition, guests will receive gifts, including LATLC mascot Lovey plush toys, while volunteers will assemble 1,000 toiletry kits for organizations supporting

individuals experiencing homelessness or housing insecurity.

"The Great Tryke Giveaway is a highly anticipated event for everyone at LATLC," says 2023 LATLC President Karina Lallande. "We are thrilled to collaborate with OCTLC for this extraordinary and heartwarming event as we witness the joy and freedom these adaptive tricycles bring to these amazing children. Their smiles and excitement make all the effort and fundraising worthwhile."

"OCTLC is thrilled to be a part of this wonderful event. Seeing the smiles of the tryke recipients and their families reminds us of why we do this," notes Michelle M. West, President of Orange County Trial Lawyers Charities. "This is OCTLC's third year supporting So Cal

Trykers for those families in Orange County. We look forward to many more years of partnership with LATLC, So Cal Trykers and the communities we serve and providing help and hope."
