

Global Cyber Security Advisory Group Launches, Pioneering Sustainable Cyber Defense Worldwide

The launch underscores the growing need for transformational cybersecurity consulting services and ethical cybersecurity governance for critical sectors

WASHINGTON, D.C., UNITED STATES, May 9, 2023 /EINPresswire.com/ -- [Global Cyber Security Advisory Group \(GCS Advisory Group\)](#) today announced its official launch. Owned by the [Protect Us Kids Foundation](#), a U.S. Based 501(c)(3) nonprofit, GCS Advisory Group is a for-profit social enterprise that offers transformational digital security and cybersecurity consulting services to critical sectors worldwide, including public, private, and NGO institutions.

"Cyber attacks are an imminent threat to both the environment and individual privacy, and by employing a more sustainable, ethical, human-centric approach to cybersecurity, GCS Advisory Group reimagines the way cybersecurity services are delivered while protecting against environmental, individual, and organizational cyber threats," Woods added.

[The Board of Directors and Advisory Committee](#) bring decades of experience in cybersecurity and sustainability, providing invaluable guidance and support to GCS Advisory Group as it launches its innovative and ethical approach to cybersecurity. The company's cybersecurity strategies and tools can help critical infrastructures better secure their digital assets and systems, mitigating chances of breaches that may lead to environmental catastrophes.

GCS Advisory Group offers customized cybersecurity solutions to organizations and individuals
