

Briley & Baxter Publications Announces Release of Supernatural Mystery by Author Dianne Hunt Smith

PLYMOUTH, MASSACHUSETTS, U.S., April 27, 2023 /EINPresswire.com/ -- Briley & Baxter Publications is excited to announce the release of "Mystery at Chilmark," the first book in author Dianne Hunt Smith's "Eye in the Sky" series. The supernatural mystery digs into a family's puzzling history through the eyes of Kat MacIntyre, a woman who has special gifts that she rarely speaks about and that most people would not understand.

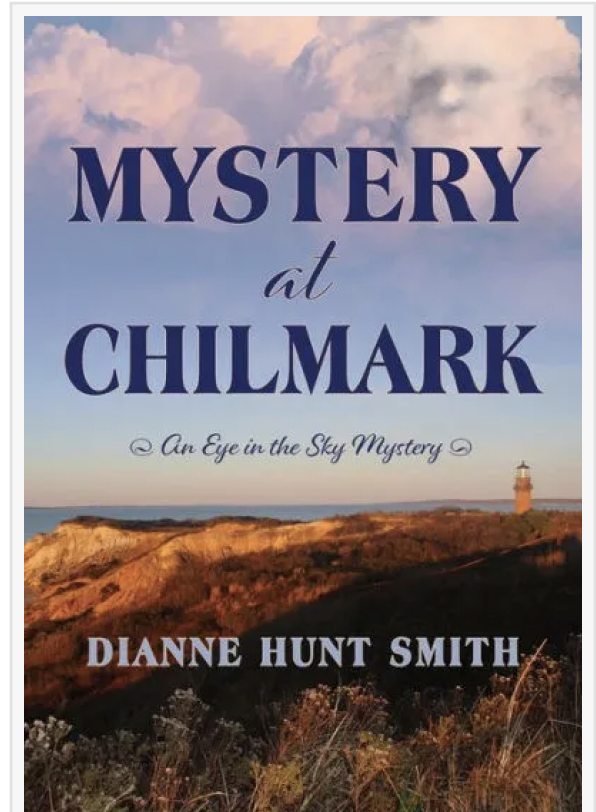

When a work assignment brings Kat and her rescue dog, Dash, to Martha's Vineyard, Kat finally gets the chance to investigate her family's past, which includes a strange tale of lost fortune. Author Hunt Smith found inspiration for her first fictional mystery during the pandemic, as she began tracing her own family's history online.

"Like most everyone, I got bored during COVID, and I did a lot of research on Ancestry.com. I found interesting information about my long-lost relatives, and at night, I would dream of these unknown people," said Hunt Smith. "I eventually decided to write a mystery that would be easy and fun to read, with some twists that the reader may not see coming."

Hunt Smith said her hope is that readers will be able to relate to the main characters even though their relationships are "different," and that readers will enjoy the mixture of a cozy mystery with supernatural interactions.

"Mystery at Chilmark" will be released to the public May 9, 2023, and is now available for preorder at [Amazon](#), [Barnes and Noble](#) and the [Briley & Baxter Publications Bookstore](#).
