innovative use of technology. Historically hosted each year in Atlanta, where the organization was founded in 2000, this must-attend technology nonprofit event is the largest fundraiser of the year.

Co-Chaired by DeWayne Griffin, distinguished Fortune 50 Chief Data Officer and Insight Global Board Member, and Shannon Johnston, Executive Vice President and Chief Technology Officer of Global Payments and Board Tech Committee Chair for Deutsche Börse, the Digital Ball brings together passionate change-makers, innovators, and philanthropists who make a difference in communities

locally and nationally. The Digital Ball is a platform for TechBridge to share its community impact, future plans, and connect with supporters, sponsors, and nonprofit partners.

“At TechBridge, community drives everything we do. We are passionate about making a meaningful impact in our community. Through our work, we celebrate the vibrant tech and nonprofit circles and connect with individuals and organizations alike to build relationships and discover opportunities together,” said Clint Bailey, Interim CEO, TechBridge. “At the heart of everything we do is a commitment to supporting people, our community, and our four pillars – hunger relief, homeless support, social justice, and workforce development - which are critical to building a brighter future for all. The Digital Ball brings all of this together as we connect and celebrate those in our community who are sparking innovation and creating change.”
