# Eventdex partners with One World Rental to offer complete Event Management Solutions

*Eventdex, a leading event management software company has announced its new collaboration with One World Rental, a global event technology rental company.*

MORGANVILLE, NJ, UNITED STATES, April 28, 2023 /EINPresswire.com/ -- Eventdex, a leading event management software company based in Morganville, New Jersey, has announced its new collaboration with One World Rental, a global event technology rental company. One World Rental is known for the deployment of cutting-edge event technology solutions anywhere in the world, guaranteed. They offer a wide range of event technology solutions, including iPads, laptops, smartphones, VR equipment, AV equipment, EPOS,

Eventdex partners with One World Rental

printers, kiosks, and other event equipment. This collaboration will enable Eventdex to offer a wide range of complete event management solutions to its clients, including both software and hardware. The company's goal is to simplify the event planning process for its clients, allowing them to focus on delivering a great event experience to their attendees. By partnering with One World Rental, Eventdex can now offer a one-stop solution for event organizers, allowing them to rent all the hardware they need to run a successful event, directly from the Eventdex platform.

Eventdex's collaboration with One World Rental is a significant step towards improving the overall event experience for event planners and attendees. By offering a wide range of hardware rental options, event organizers can now provide attendees with the latest technology and equipment, ensuring a seamless and efficient event experience. Additionally, this collaboration will help event organizers save time and reduce costs associated with purchasing and maintaining hardware equipment. One World Rental is a global provider of event technology

solutions, offering a wide range of hardware rental options to event organizers. With a presence in over 50 countries, One World Rental provides event organizers with the latest technology and equipment, ensuring a seamless and efficient event experience.

Eventdex is a leading provider of online event management software based in New Jersey, United States.
