PSI will host a specially-designed "Education Station" during the race at Metro Catholic, a partner school located on the marathon route. The station will provide aid to participants who work in the education field and a home for their supporters to cheer them on.

In addition, PSI will sponsor an education race team and the UH Rainbow Babies and Children's Hospital Kids' Run. PSI is the Official School Health and

Educational Support Services Partner of UH Rainbow Babies and Children's Hospital.

"We love working with both these organizations," Sitko added. "It is not surprising that the mission of each of our pillar partners in the area, UH and the Cleveland Marathon, align so seamlessly."

"We are grateful for the support of the PSI team in our mission to promote health and wellness in our community," said Ralph Staph, Cleveland Marathon Race Director. "Whether you decide to run your first 5k, or your latest marathon, you learn a lot about yourself on the course, and in your training. PSI's commitment to education aligns perfectly with our values, and we are excited to work together to make a positive impact on the lives of local teachers and students."

PSI has been a trusted partner in education and health for over 45 years, providing support services to schools and communities across the state of Ohio and beyond. PSI invites all members of the community to join them in raising the power of education at the Union Home Mortgage Cleveland Marathon.
