

# Newvon Unveils Caregiver Surveying Platform

---

*A Comprehensive Solution to Address Pain Points, Enhance Job Satisfaction and Client Satisfaction, and Motivate Caregivers through Training*

NEW YORK, NY, USA, May 2, 2023 /EINPresswire.com/ -- Newvon, a leading provider of e-training solutions for home care agencies, is proud to announce the release of its latest product, Newvon Surveying. This comprehensive platform is specifically designed for Home Care Agency owners, managers, and training coordinators, who are seeking to improve their service quality and address the pain points that result from not having a line of sight to staff or client feedback.

Chief Product Officer Ashley Wharton shares, "At Newvon, we've listened to our customers who have asked for a flexible platform that meets their surveying needs. With Newvon Surveying, we are proud to deliver a solution that empowers home care agencies to make informed decisions for improving client and caregiver satisfaction."

Existing survey technology can be challenging to deploy, customize, and interpret results. Newvon Surveying addresses these issues by providing a user-friendly and customizable platform for collecting feedback from both clients and caregivers. This allows professionals to make data-driven decisions that lead to better outcomes and increased job satisfaction and client satisfaction.

Newvon's innovative approach to motivating training is rooted in the connection between surveying and training. By obtaining survey results about client or staff satisfaction, service provider agencies gain valuable insights that drive their motivation to provide the right training. This data-driven approach ensures that caregivers receive targeted education that enhances their performance, ultimately leading to improved client outcomes and increased caregiver job satisfaction.

Key features of Newvon Surveying include:

- Unlimited surveying to caregivers
- Standard templates for job satisfaction, NPS, and more
- Custom question creation for tailored surveys
- Real-time results for up-to-date data
- Dashboards to visualize trends and insights
- Dedicated support team for assistance and guidance
- Full suite of integrations for seamless data management.

By using Nevvon Surveying, y professionals gain a clear line of sight to the issues and concerns of both clients and caregivers. The platform provides trends to analyze with respect to key performance metrics like job satisfaction and client satisfaction, empowering decision-makers to continuously improve their services and support their staff.
