

# The ULTIMATE HYDROGEN GENERATOR for HEALTH and BEAUTY ENTHUSIASTS, Now available in Singapore

*Experience Luxury Health & Wellness with H2 Exceed: B-Mirai's Premium Hydrogen Generator for Affluent, Health-Conscious Singaporeans - Transform Lifestyle*

SINGAPORE, May 5, 2023

/EINPresswire.com/ -- B-Mirai Holdings Pte. Ltd. (UEN: 201724887E), a leading innovator in [health and wellness technology](#), announces the launch of its revolutionary [hydrogen generator, H2 Exceed](#). This state-of-the-art health appliance caters to affluent Singaporeans who prioritize health maintenance, anti-aging, and beauty.

Priced at S\$4,000, H2 Exceed is designed to generate hydrogen-rich water, which has been scientifically proven to provide numerous health benefits, such as enhanced antioxidant properties, improved hydration, and reduced oxidative stress.

The numerous health benefits of hydrogen made by H2 Exceed shall be enjoyed by those seeking to improve their health and well-being. Some of the key benefits include:

1. **Enhanced Skin Health:** Hydrogen-rich water promotes skin hydration and elasticity, reducing the appearance of fine lines and wrinkles. Users will experience a more youthful and radiant complexion.

Hydrogen generator H2 Exceed for health and beauty

Hydrogen generator H2 Exceed for health and beauty is a nice room interior

2. Improved Digestion: Hydrogen-rich water supports healthy digestion by neutralizing harmful free radicals in the digestive tract, promoting optimal nutrient absorption and overall digestive health.

3. Boosted Immune System: The antioxidants in hydrogen-rich water help strengthen the immune system, reducing the risk of chronic diseases and promoting overall health and wellness.

4. Increased Energy Levels: By neutralizing harmful free radicals, hydrogen-rich water helps to increase energy levels and reduce fatigue, allowing users to lead more active and fulfilling lives.

5. Weight Management: Hydrogen-rich water has been shown to support weight management by promoting healthy metabolic function and reducing inflammation.

Key features and benefits of H2 Exceed include:

Cutting-edge hydrogen generation technology: H2 Exceed incorporates the latest advancements in hydrogen generation, ensuring optimal hydrogen concentration in water for maximum health benefits.

High-quality materials: Manufactured using premium materials, H2 Exceed is built to last, offering a luxurious and durable solution for health-conscious individuals.

Antioxidant support: Hydrogen itself, when consumed in the form of hydrogen-rich water or inhaled directly, acts as a powerful antioxidant that helps combat oxidative stress, slow down the aging process, and maintain a youthful appearance. The H2 Exceed device allows users to experience these health benefits by providing hydrogen in various forms, contributing to improved well-being.

H2 Exceed: A Comprehensive Solution for Health and Beauty

Easy operation: When H2 Exceed is charged with designated purified water and turned on, hydrogen is generated immediately.

## HANDLING PRECAUTIONS

### 1. SAFETY PRECAUTIONS

This H2EXCEED is a device that breaks apart purified water (or pure water) into hydrogen and oxygen in order to produce hydrogen gas for inhaling, bathing, and drinking.

Please refrain from using it for purposes other than this purpose.

### 2. INSTALLATION

Place the product in a location that satisfies the following conditions:

- On a flat surface; Places where there is no danger of falling
- Where there is a free space of 30 cm or more surrounding the device

- Not within direct sunlight
- Avoid using on carpeted area; Ample ventilation below the device is required to allow oxygen particles generated during electrolysis to escape

Plug the power cord into an outlet.

### 3. WHEN USING FOR THE FIRST TIME

- Do not turn on the power when the purified water tank is empty.
- Do not press any button when the purified water tank is empty.
- Precautions for equipment warm-up
  - Be sure to remove the black cover cap attached to the cap before warming up. If you warm up with it installed, the pressure inside the tank will increase, and the purified water may flow back and leak from the bottom of the device.
  - Precautions when replacing attachments
    - Due to the pressure of the hydrogen gas, it may be difficult to disconnect the attachment. Do not apply too much force as this may cause the protruding cap to break. Instead, gently turn the cap to remove it and pull out the attachment.
  - Replenishment of purified water
    - Never use anything other than purified water in the purified water tank. Using tap water, mineral water, well water, etc. will void the warranty.

## HANDLING PRECAUTIONS of H2 Exceed

### 4. MAINTENANCE

- Purified water tank

As purified water is used, the water tank will not get dirty easily. (As much as possible, do not wash the inside of the tank)

Rinsing lightly with purified water is still possible. (However, do not use any cleaning tools or detergents)

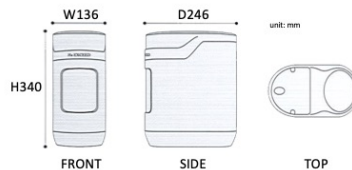

### 5. AFTER-SALES SERVICE

- Before requesting repair
  - If you suspect a malfunction, please contact the customer center.
  - Please refrain from modifying or repairing the product by anyone other than our designated repair person.
- Warranty period
  - One year from the date of purchase.

## SPECIFICATIONS

Hydrogen Generator H2 EXCEED (MODEL NAME: TRJ-HG101)

| SIZE/WEIGHT | MAIN BODY           | W136 X D246 X H340 mm / 2,650G |
|-------------|---------------------|--------------------------------|
|             | MASK TUBE           | 2m/80g                         |
|             | HYDROGEN WATER TUBE | 1m/36g                         |
|             | BATH TUBE           | 5m/125g                        |
|             | WATER CATCHER       | W70 x 94mm (when opened) / 28g |
|             | CUP LID             | W108 x H27mm / 66g             |
|             | DIFFUSER            | 200mm / 6g                     |
|             | BATH ATTACHMENT     | W36 x D47 x H41 mm / 66g       |

|                           |                       |
|---------------------------|-----------------------|
| RATED VOLTAGE             | AC100V~240V, 50/60 Hz |
| MAXIMUM POWER CONSUMPTION | 50W                   |
| WATER TANK CAPACITY       | MAX 820ml             |
|                           | MIN 440ml             |

## SPECIFICATIONS of H2 Exceed

H2 Exceed offers versatile usage options to deliver the benefits of hydrogen-rich water in three different ways:

1) Breathing: By using the H2 Exceed device, human beings can inhale hydrogen gas directly, allowing their bodies to absorb hydrogen efficiently and experience its numerous health benefits. Taking in hydrogen directly into the body by breathing is the most effective way to obtain the antioxidant effect of hydrogen.

2) Drinking Hydrogen Water:

Consuming hydrogen-rich water produced by H2 Exceed provides various health advantages, such as enhanced antioxidant properties, improved hydration, and reduced oxidative stress. Hydrogen-rich water is gaining popularity among health and wellness enthusiasts worldwide. This groundbreaking elixir contains a high concentration of hydrogen molecules ( $H_2$ ), which deliver powerful antioxidant properties. These antioxidants neutralize harmful free radicals, minimizing oxidative stress and cellular damage. The result is a myriad of health benefits, including improved skin health, better hydration, and a reduced risk of chronic diseases.

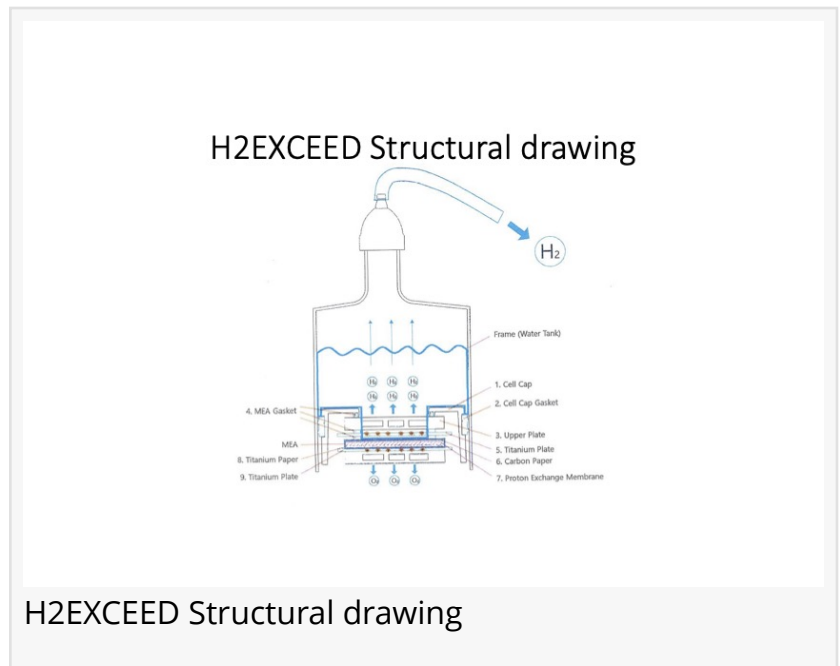

3) Hydrogen Water Bath: Indulging in a hydrogen water bath allows the body to reap the benefits of hydrogen-rich water through skin absorption, promoting relaxation, rejuvenation, and improved skin health.

H2 Exceed offers users an all-in-one solution for their health and beauty needs. By incorporating the latest advancements in hydrogen generation and purification technology, H2 Exceed provides users with hydrogen-rich water that is both safe and highly effective. Some of the key features and benefits of H2 Exceed include:

1. Advanced Water Purification System: H2 Exceed is equipped with a high-quality water purification system that effectively removes impurities, chlorine, and heavy metals, ensuring the safety and purity of the hydrogen-rich water produced.

2. Dual-Chamber Electrolysis System: The innovative dual-chamber electrolysis system prevents the mixing of harmful substances, ensuring that the hydrogen-rich water generated is safe for consumption.

3. Intuitive Touch Panel: The user-friendly touch panel allows for easy operation, making it simple for users to enjoy the benefits of hydrogen-rich water at the touch of a button.

H2EXCEED Structural drawing

4. Sleek, Modern Design: H2 Exceed's contemporary design will complement any home environment, making it an attractive addition to your health and wellness routine.

5. Eco-Friendly Solution: By encouraging users to refill reusable containers with hydrogen-rich water, H2 Exceed helps reduce plastic waste, promoting an environmentally friendly lifestyle.
