"I wanted to give fans a real sense of who I am as a person, not just as a boxer," Bowe said. "I've had a lot of ups and downs in my life, and I wanted to be honest about all of it. I hope that my story can inspire others to overcome their own challenges."

"Riddick Bowe" is the culmination of years of reflection and introspection on Bowe's part, and it promises to be a riveting read for anyone interested in the sport of boxing or in the life of one of its greatest champions.

"I've always been a fighter, both in and out of the ring," Bowe said. "But writing this book was a different kind of fight for me. It forced me to confront some difficult truths about myself and my past, but I think it's made me a stronger person in the end."

"Riddick Bowe" is available now from major online retailers. Fans can also follow Bowe on all social media platforms @RiddickBowe for updates on book signings and other events.
