

H.K. Designs & Hari Krishna Exports Guinness World Record-Setting Ring to Dazzle Visitors at GemGenève Show Switzerland

Hari Krishna Exports created Guinness World Record for the "Most Diamonds Set in One Ring" will be displayed at the upcoming GemGenève Show in Switzerland.

SURAT, GUJARAT, INDIA, May 1, 2023 /EINPresswire.com/ -- [H.K. Designs](https://www.hkdesigns.com/) and Hari Krishna Exports Pvt. Ltd. have created history by setting a new Guinness World Record for the "Most Diamonds Set in One Ring." The Ring, which boasts an astonishing 50,907 diamonds, will be displayed at the upcoming GemGenève Show in Switzerland.

The Ring, named Eutierria, is a testament to the company's commitment to innovation, sustainability, and artistic excellence. It was crafted over nine months from recycled materials, including recycled 18kt gold and diamonds repurposed from customer returns.

Inspired by a sunflower's vibrant and beautiful design, the Ring comprises four layers of petals, the shank, two diamond discs, and a butterfly. The meticulous crafting process involved hand-setting each diamond by a team of expert craftsmen, making it an exquisite and unique piece of art.

The Ring's total diamond weight is 130.19 carats, and its final gold weight is 460.55 grams. It has been certified and valued by the International Gemological Institute (IGI) and has a retail value of \$785,645.

The Ring's creators have been [dedicated to environmental causes and sustainability initiatives](#). To demonstrate their commitment, they have pledged to plant one tree for every diamond set in the Ring. This commitment highlights their goal to support climate action and contribute to a sustainable future.
