Renee Matthews and Janeen Salzgeber explained “Sometimes a Dream Flight is the first time a brave veteran is recognized and thanked. We’re delighted to honor our veterans for their sacrifices and are thrilled to show them our gratitude. They’ve certainly earned it!”

This event is close to home for the Pathfinders co-founders. Both Renee and Janeen are heavily involved in the military community and have over 30 years of experience in the senior living industry. Veterans are some of their most beloved clients so the two jumped at the opportunity to co-sponsor the Tampa Bay Dream Flights

event. Seniors and veterans are encouraged to come watch the flights and meet other veterans in the area!

Dream Flights pilots, who primarily fly for major airlines and are active duty or retired military veterans themselves, volunteer their time to fly these veterans in the country's largest fleet of restored/fully operational Stearman biplanes.

Dream Flights are always free to participants. The organization relies on corporate sponsors, donors, and individual donations to support its mission of giving back to those who gave. Tax-deductible donations and sponsorship opportunities are available at <https://dreamflights.org/donate/>.

About Dream Flights

Dream Flights is a nonprofit organization dedicated to honoring the service, sacrifice, and stories of America's senior veterans by providing them with an open-air flight experience. From its founding in 2011 to today, the organization has honored nearly 6,000 veterans and seniors with free Dream Flights. Through donors, community support, and volunteers, the foundation provides Dream Flights in a Boeing Stearman biplane, the same aircraft used to train many military aviators in the late 1930s and early 40s.
