Her work is a testament to her talent, creativity, and dedication to the field of design.

Jhoiey Ramirez Designer and Artist

Jhoiey Ramirez is a truly versatile artist, whose wide-ranging interests and talents have led her to explore different disciplines from designing in the build environment and visual art forms to

“

I am motivated by my passion to create! Whether it be fashion, art, ceramics. I learned from the best mentor one can ever asked for... LOR CALMA!”

Jhoiey Ramirez

entrepreneurship. Her holistic approach to creativity and business has made her a force to be reckoned with in the industry, and her ability to seamlessly integrate different fields has set her apart as a truly innovative thinker. She was also handpicked by the Italian Regional Government of Umbria to develop a modernization plan for the region's famous majolica deruta, which yielded a collection of 3 dinnerware designs still being produced in Deruta, Italy.

After ten years of being a sole principal of her studio, she pivoted to collaborate with two of her similarly accomplished colleagues with parallel career trajectory. Jhoiey steps into her new role to celebrate her career of 25 years as Creative Director

for The Sycamore Collective, Inc., heading up a team-centric collaborative environment of highly talented individuals.

“LOR CALMA was a true renaissance man” -says Jhoiey. He is one of the most worldwide renowned Filipino architect, interior designer, a furniture maker, a jewelry designer, a sculptor, a painter, an artist. He has been one of her greatest influences through Ramirez career. She has really admire him and in her early years she had the opportunity to work for him.

She expresses her creativity in art by honing skills in different mediums: photography, painting, drawing, sculpture, ceramics, woodworking & glass blowing. Her travels have expanded her horizon in terms of global inspiration which compliments her clients' lifestyle. Ramirez has had a stint as a gallery curator at ChomaFlux at Santa Monica, Ca. She has done group and solo shows as a painter and sculptor and She has been a published poet too and she will do more solo exhibitions during this year.

She continues her valuable contribution in the built environment by partnering with brands she respects and brands that care about the environment as much as she does. She is developing her own product lines and also She serves as a consultant and mentor to other fabrication, design and development companies, sharing her knowledge and expertise. She has been involved in shaping young minds in design schools for over ten years, inspiring everyone she
