

Celebrities Accessorized with Spectacular Platinum Jewelry Designs at the Met Gala

Dramatic Necklaces and Bold Rings were Top Styles on the Red Carpet

NEW YORK, NY, USA, May 2, 2023 /EINPresswire.com/ -- Celebrities and designers were dripping in edgy and unique jewelry set in platinum at the 2023 Met Gala celebrating "Karl Lagerfeld: A Line of Beauty". Platinum, the naturally white setting that truly enhances the brilliance of diamonds and colored gemstones, was the ideal complement to the avant-garde couture fashion designs and intricate makeup looks.

The most notable platinum jewelry trends were dramatic necklaces as seen on Dua Lipa, Lily Collins and Kate Moss, and bold rings as worn by Florence Pugh, Nicole Kidman, and Lea Michele.

About Platinum Jewelry

Platinum is the ideal choice for red carpet jewelry because it holds diamonds and precious gemstones more securely than any other metal. It is not only the highest quality metal, but its density makes it one of the most durable and enduring precious metals. Platinum is also naturally white, unlike white gold, which means it will not cast any tint onto a diamond or

gemstone, allowing the stone's genuine color to sparkle brightly.
