[stock](#) news from Investorideas.com -

Solar Integrated Roofing Corp. (OTC:

SIRC) ("SIRC" or the Company"), an

integrated, single-source solutions provider of solar power, roofing and EV charging systems,

today announced the Company has retained Shareholder Intelligence Services, LLC ("ShareIntel")

for a 12-month, full-service agreement to review the trading patterns of the Company's common

stock; monitor, identify and reconcile discrepancies; and target illegal short selling activities.

ShareIntel gathers and analyzes shareholder trading data through its DRIL-Down™ process, a technology platform that examines equity flows and reveals suspicious, aberrant, and/or unusual trading activity. The tool aims to help management to identify, interpret and communicate shareholder and broker-dealer movement to the market.

"We are taking action to ensure that SIRC is not the target of unlawful trading activities," said David Massey, Chief Executive Officer of SIRC. "ShareIntel's proprietary analytics will identify reporting anomalies among market makers, banks, broker-dealers and clearing firms as it tracks share ownership and identifies suspicious trading activity. We believe this engagement is a prudent step to protecting our shareholders' investments and addressing any suspected violations."

About Shareholder Intelligence Services, LLC – (ShareIntel)

ShareIntel is an application service provider retained by public companies to obtain, aggregate, track and analyze shareholder trading information. This process is managed through a proprietary patent pending web-based application known as the "Data Repository Information Link" system DRIL-Down™.

In addition to its core business, ShareIntel can provide value-added custom consulting services

to help client companies maximize the utility of our analyses. ShareIntel is a part of the \$5 billion plus rapidly growing Software-as-a-Service ("SaaS") industry.

The ShareIntel solution empowers the public company CEO's with unique analytical tools to manage their investment bankers, legal counsel, investor relations, shareholders and more. ShareIntel creates meaningful hard and soft dollar savings by providing "instant" and actionable analytic metrics to coordinate and monitor corporate governance, regulatory compliance, corporate finance, due diligence, public offering market surveillance, mergers, acquisitions, investor relations, shareholder communications, blue sky compliance, road show planning and more.

Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as: "anticipate," "intend," "plan," "goal," "seek," "believe," "project," "estimate," "expect," "strategy," "future," "likely," "may," "should," "will" and similar references to future periods. Examples of forward-looking statements in this press include, among others, statements about our renegotiated settlement agreement. Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are based only on our current beliefs, expectations and assumptions regarding the future of our business, future plans and strategies, projections, anticipated events and trends, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of our control. Our actual results and financial condition may differ materially from those indicated in the forward-looking statements. Therefore, you should not rely on any of these forward-looking statements. Important factors that could cause our actual results and financial condition to differ materially from those indicated in the forward-looking statements include, among others, the following: our limited operating history; our dependence on third parties for many aspects of our business; general market and economic conditions; technical factors; the availability of outside capital; our receipt of revenues; legislative developments; changes in our expenditures and other uses of cash; our ability to find, recruit and retain personnel in sufficient numbers to support our growth; our ability to manage growth; and general market, economic and business conditions. Additional factors that could cause actual results to differ materially from those anticipated by our forward-looking statements are under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition

and Results of Operations” in our most recent Registration Statement on Form 10 or Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission. Any forward-looking statement made by us in this press release is based only on information currently available to us and speaks only as of the date on which it is made. We undertake no obligation to publicly update any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
