Fond Doux Eco Resort in St. Lucia, a certified organic estate and a Green Globe-certified property, is offering big summer and fall savings.

Guests can enjoy a remarkable 40 percent off their stay, plus complimentary breakfast and the educational "Taste of Fond Doux Tour", a guided experience during which visitors get to taste some of the fresh, tasty fruits the plantation produces.

And better yet, the deal, to be booked by September 30, is valid for travel between now and December 21, 2023.

The deal, named "Jounen Kwéyòl Heritage Escape", is designed for Creole Day in October, during which the island's French creole heritage is celebrated month-long with music, dance, cuisine, art, and other cultural expressions.

Nestled in the heart of Soufrière, St. Lucia, Fond Doux is a 19th-century eco-friendly colonial resort that is best known for its romantic, intimate and private "eco-luxurious" cottages.

The resort is situated amidst a 250-year-old cocoa plantation and features an assortment of 17 uniquely crafted cottages, two on-site restaurants, a collage of outdoor swimming pools, as well as an organic spa.

Fond Doux features a wedding gazebo, the Plas Cacao Chocolate shop, a traditional cocoa fermentary house, and a hall of fame display honoring St. Lucian icons.

Rather than building the historic colonial cottages from scratch, Fond Doux preserves St. Lucia's architectural heritage by saving abandoned colonial buildings from around the island and restoring them. Furniture used in the cottages is made in St. Lucia to support local industry.

The Bamboo Restaurant offers a "plantation to plate" experience where the chef uses freshly picked fruits, vegetables and spices grown on the organic plantation to create authentic, delicious Creole dishes.

Fond Doux is a scenic 45-minute drive from the island's international airport and just minutes away from St. Lucia's main attractions, including The Pitons, Sulphur Springs – the "Caribbean's only drive-in volcano" – and the best diving sites on the island, all within a prestigious UNESCO World Heritage Site.

A recent addition to its offerings is the Fond Doux Historical Park, featuring an 18th century French fortress, prison cells, a shrine, nature trails, picnic areas, Kaye Flore, and an interpretation center, aiming to teach locals as well as visitors about the history of St. Lucia.
