

Varist Partners with Eleven to Enhance Protection of Millions of Mailboxes

The collaboration with eleven will deploy Varist's anti-malware solutions to safeguard millions of mailboxes from malware.

REYKJAVIK, ICELAND, May 2, 2023

/EINPresswire.com/ -- Varist ehf, a leading anti-malware company whose products are trusted by the largest cloud companies worldwide, announces a significant partnership with German cybersecurity firm eleven cyber security GmbH. This collaboration will deploy Varist's anti-malware solutions to safeguard millions of mailboxes from malware.

Ulrich Jansen, Managing Director of eleven, "The partnership with Varist is our response to the growing need of our customers for the most advanced security solutions. Together we will not only provide best protection, but also strengthen and expand our partner networks, which will drive significant growth."

This partnership not only expands Varist's presence in the European market but also reinforces its reputation as a leading provider of cutting-edge cybersecurity solutions.

"Varist is proud to partner with eleven, a company that shares our dedication to ensuring the security of users' data," said Hallgrimur Bjornsson, CEO of Varist. "Together, we aim to deliver unparalleled protection for millions of mailboxes, enhancing our global impact."
