

Volt Wins Spot on the Forbes America's Best Recruiting and Temporary Staffing Firms List for Fourth Consecutive Year

ATLANTA, GEORGIA, UNITED STATES, May 3, 2023 /EINPresswire.com/ -- [Volt Information Sciences](#)—a provider of commercial and professional staffing solutions—has been recognized by Forbes on its [2023 list of America's Best Recruiting and Temporary Staffing Firms](#). This marks the company's fourth consecutive year receiving the honor.

The prestigious award is presented by Forbes and Statista Inc., the world-leading statistics portal and industry ranking provider. The ranking is based on an independent survey of peers and

clients. In total, more than 36,400 external recruiters and 9,200 HR-managers/hiring managers and candidates were invited to participate in this year's survey.

“

...We look forward to further strategic innovation while respecting the roots of our company, because we still believe what our founders realized long ago: business runs on talent, today and always.”

Art Knapp, CEO of Volt

Art Knapp, CEO of Volt, stated:

“Volt is ecstatic to be recognized by Forbes on their list of America's Best Recruiting and Temporary Staffing Firms for the fourth consecutive year. For decades, our company has played a key role in American innovation. While our awards, diverse history, and long-standing client relationships with some of the world's most respected companies demonstrate our growth, the key to our

success is our consistent focus on our clients and employees. We look forward to further strategic innovation while respecting the roots of our company, because we still believe what our founders realized long ago: business runs on talent, today and always.”
