Competitive Solutions Inc. will showcase Leadership and Software Solutions at ASQ WCQI. Shane Yount will present Building a Culture of Players, Not Spectators.

PHILADELPHIA, PA, UNITED STATES, May 2, 2023 /EINPresswire.com/ -- [Competitive Solutions Inc.](#), an international consulting firm that empowers businesses with leadership training and data-based decision-making tools for success and growth, is proud to announce its participation at the 2023 [ASQ](#) World Conference on Quality and Improvement on May 7-10 in Philadelphia. At the conference, Competitive Solutions will be exhibiting in booth #504, showcasing their innovative solutions for the quality market, including Process Based Leadership, Leadership GPS, and [Visuant Business Performance Software](#).

Competitive Solutions Inc.'s President and CEO, Shane Yount, will also be presenting "Dangers of Digitization – Building a Culture of Players, Not Spectators" during the conference on May 8th at 1 pm. The presentation will focus on the importance of data literacy as an essential driver of business value, which is expected to become an explicit and necessary component of over 80% of data and analytics strategies and change management programs. Correct measurements and specific actions on those measurements are the driving forces of success, and Yount will discuss the key elements necessary to create a culture that is engaged and uses metrics to drive the business forward.
