

Broadridge Data and Analytics and Aiviq Enhance Data Integration and Transparency for Asset Managers

Aiviq and Broadridge team up to improve the quality and transparency of both internal sales reporting data and external market intelligence.

LONDON, GREATER LONDON, UNITED KINGDOM, May 3, 2023
/EINPresswire.com/ -- Aiviq, the leading provider of client-level AUM and asset flow reporting for global asset managers, has collaborated with global Fintech leader Broadridge Financial Solutions, Inc. (NYSE: BR) to improve the quality and transparency of both internal sales reporting data and external market intelligence.

"The strategic relationship between Aiviq and Broadridge will provide asset management firms with a better view of client AUM and asset flow data for their global market intelligence," said

We are excited to be working with Aiviq, who truly understands global data management and its application in the asset management industry,"

Stephanie Clarke, senior vice president of Broadridge's Data and Analytics

Greg Glass, executive director of Aiviq. "We will work closely with Broadridge to ensure the speed and availability of global fund data for asset management firms and improve both the quality and efficiency of that data."

"We are excited to be working with Aiviq, who truly understands global data management and its application in the asset management industry," said Stephanie Clarke, senior vice president of Broadridge's Data and Analytics business. "Broadridge is delivering best-in-class, actionable market intelligence for global asset managers, and the

inclusion of detailed sales data from asset managers using Aiviq for enterprise reporting will

enhance distributor transparency and improve accuracy and timeliness."

The pace of change in the industry has intensified how quickly global asset managers need data and how essential it is to integrate seamlessly with internal and external reporting and analytics offerings. The collaboration between Broadridge and Aiviq is a positive step in this direction and will benefit asset management firms. This collaboration with Broadridge is the latest expansion to Aiviq's Integration Hub, which connects asset managers to over 235 data providers.
