

CarltonOne Engagement launches global Apple Rewards Store

CarltonOne introduces technology in 58 countries for any company to launch an Apple® Rewards Store in their loyalty, recognition, incentive or rewards program.

TORONTO, ONTARIO, CANADA, May 3, 2023 /EINPresswire.com/ -- CarltonOne, one of the world's most trusted B2B global reward platforms, has expanded its partnership with Apple to offer a seamless way for companies to bring their customers, members or employees a beautiful Apple shopping experience.

CarltonOne Apple Rewards Store

By using the CarltonOne QuickConnect API, companies can quickly launch their own Apple Rewards Store within any loyalty, recognition, channel incentive or rewards program. This enables members in 58 countries to redeem program points for a customizable range of Apple devices and services.

“

The new CarltonOne Apple Rewards Store makes it easy for customers, members and employees to redeem their well-deserved program points for the Apple devices and services they love.”

Rob Purdy, Founder & CEO

- The Apple Rewards Store delivers an Apple user experience that builds significant customer excitement and an immediate boost in point redemptions
- Offers a customizable range of Apple devices and services
- Connect, customize and launch within 10 days with the CarltonOne QuickConnect API
- CarltonOne includes in-country Apple delivery, ensuring

all orders are backed by country-specific Apple warranties so members can get fast local device warranty service

- CarltonOne provides real-time order tracking with 24/7 global customer support

“We’re honored to partner with Apple and excited to launch this new Apple shopping experience

within our platform,” CarltonOne founder and CEO Rob Purdy said. “With this launch, companies can very quickly offer the full range of Apple devices and services within their programs in 58 countries. Apple rewards are among the most popular and highest redeemed merchandise rewards in virtually all of our programs around the world. Our new Apple Rewards Store makes it easy for customers, members and employees to redeem their well-deserved program points for the Apple devices and services they love.”

The Apple Rewards Store can be customized by partners and program managers to offer a curated selection of the Apple devices and services available in their country. Available products can include iPhone, AirPods, iPad, Mac computers, Apple TV, Apple Watch, accessories plus AppleCare and the Apple Gift Card. To learn more, visit www.carltonone.com/apple-rewards-store

The Apple Rewards Store checkout experience features easy model configuration, points redemption and a points top-up feature in local currency through Apple Pay or traditional credit card.

About CarltonOne Engagement

CarltonOne Engagement is a purpose-powered engagement platform that creates B2B social recognition, customer loyalty, rewards, and sales/channel incentive programs. With the goal to make every moment matter, the company offers Power2Motivate — a customizable enterprise and SMB engagement solution; Global Reward Solutions — a global supply chain enabling customized AI-personalized storefronts of over 10 million rewards across 185 countries; and Kart — a free shop and save benefit for employers. Each of these solutions fuels CarltonOne’s Evergrow sustainability mission to fight climate change with a unique eco-action business model that will fund the planting of 100 million trees every year by the end of 2024.
