

CalypsoAI Welcomes Cyber Security Expert Jim Routh to Advisory Board

Renowned cyber security industry expert and thought leader Jim Routh joins CalypsoAI as a board advisor.

WASHINGTON, DISTRICT OF COLUMBIA, UNITED STATES, May 3, 2023 /EINPresswire.com/ -- CalypsoAI announces the addition of renowned cyber security industry expert and thought leader Jim Routh as a board advisor. Mr. Routh brings with him decades of pioneering leadership as a CISO/CSO for CVS Health, Aetna, KPMG, DTCC, American Express, and MassMutual.

Renowned cyber security industry expert and thought leader, Jim Routh, joins CalypsoAI as a board advisor.

“We are looking forward to working closely with Jim and leveraging his unique ability and experience in applying innovative technologies to solve the most recent threats and risks faced by industry,” said Neil Serebryany, CEO of CalypsoAI. “His insight and understanding of the critical issues facing our industry will enhance the breadth and depth of our vision of a future in which artificial intelligence is an integral and trusted part of everyday life for organizations in every market sector and of any size.”

“

Today, I’m pleased to join their advisory board to bring their commercial products into the enterprise space to enhance organizations’ AI strategies.”

Jim Routh

On joining CalypsoAI as a board advisor, Mr. Routh said, “CalypsoAI has several years of platform maturity supporting our nation’s leading agencies in deploying trustworthy AI. Today, I’m pleased to join their advisory

board to bring their commercial products into the enterprise space to enhance organizations’ AI strategies, including solutions for the safe deployment of Large Language Models.”

Mr. Routh’s experience as a transformational and iconic leader in the field, his depth of knowledge, and unparalleled expertise will provide increased momentum as CalypsoAI continues

to offer groundbreaking solutions for the biggest challenges facing AI deployment in the enterprise. The company's most recent product offerings include CalypsoAI [Moderator](#), which enables the safe, secure use of Large Language Models at scale for organizations of any size, and VESPR Validate 2.0, which enables deployment of trustworthy, reliable AI through model performance testing and validation.

About CalypsoAI

Founded in Silicon Valley, CalypsoAI is the industry leader in developing and delivering AI security solutions. Our vision is to be the trusted partner and global leader in the AI security domain, empowering enterprises and governments to leverage the immense potential of Large Language Models confidently and without risk. At CalypsoAI, we strive to shape a future in which technology and security coalesce, transforming how businesses operate and contributing to a better world.
