

Cleveland-Based Software Company Partners with National Insurance Technology Leader

Cleveland, Ohio-based EOX Vantage® today announced they have partnered with Vertafore®, an insurance technology leader.

BEACHWOOD, OHIO, UNITED STATES, May 3, 2023 /EINPresswire.com/ -- Cleveland, Ohio-based EOX Vantage® today announced they have partnered with Vertafore®, an insurance technology leader, to expand capabilities through Vertafore's industry-leading Orange Partner Program which vets and brings together best-in-class technology and professional services partners.

The [Vertafore Orange Partner Program](#) complements solutions that insurance agencies, MGAs and carriers use every day. EOX Vantage joins a diversified network of partners within the Orange Partner Program which allow users to easily move data between partner solutions and Vertafore solutions, linking them to a wider ecosystem of tools that will enable faster decision making and greater efficiency for independent agents.

EOX Vantage has developed software as a service (SaaS) solutions for some of the nation's largest insurance agencies, carriers and MGAs. The company has been recognized as a PropertyCasualty360 Insurance Innovator and as a top InsurTech (Insurance Technology) Top 20 Solution Provider by EnterpriseTechSuccess magazine.

A team from EOX Vantage will be attending Vertafore's Accelerate conference, powered by NetVU, May 7–10, 2023, in Austin, Texas. Accelerate is the industry's first and longest running InsurTech conference.

About EOX Vantage

EOX Vantage empowers better, faster decisions, saves time, limits exposure and drives revenue. Their SaaS enterprise operating system gathers data for actionable dashboards, automates processes, and improves workflows that offer insight, visibility and control.
