PLANO, TEXAS, UNITED STATES, May 4, 2023 /EINPresswire.com/ -- [Springfree Trampoline](https://www.springfree.com/) is honored to announce that it has received the 2023 Mom's Choice Award ([MCA](https://www.momchoiceawards.com/)).

MCA is trusted worldwide by parents, educators, retailers, and the media for its objective and expert-led evaluation of products and services created for children, families and educators.

They use a proprietary methodology that scores products on a number of elements, including production quality, design and originality, among others.

MCA honors the best in family-friendly media, products, and services. Every week companies, inventors, and publishers from around the world send their products for evaluation. Only the best products earn the Mom's Choice Award designation.

"We are happy to award deserving products like Springfree Trampoline," said Dawn Matheson, CEO, Mom's Choice Awards. "Our panel of judges really felt this product merited a place on our list of the best in family-friendly products that parents and educators can feel confident in using."

Springfree Trampoline, behind its industry-leading safety features—which includes its springless design, FlexiNet, SoftEdge Mat and hidden frame—has proven to be the safest and most durable trampoline on the market.

“We put all our effort into making a trampoline that kids can jump on without parents worrying about their safety, said Amy McIntee, Springfree Trampoline’s VP of Sales, North America. “It’s a great honor to be recognized by Mom’s Choice for that effort, and we will continue to set the precedent for what a safe and high-quality trampoline should look like.”
