

ROLLING OUT PRESENTS THEIR ANNUAL SISTERS WITH SUPERPOWERS DINNER AND GALA – ATLANTA

Rolling out kicks off the 2023 Sisters with Superpowers ten-city tour in Atlanta on May 4, 2023 honoring the extraordinary achievements of women leaders

ATLANTA, GA, UNITED STATES, May 3, 2023 /EINPresswire.com/ -- [Sisters](#) with Superpowers (SWS)

“

This renowned group of SWS honorees empower their communities through hard work, sacrifice, and perseverance. These twelve powerful female leaders represent Black excellence in the city of Atlanta.”

Munson Steed

is a multifaceted program designed to honor, celebrate and uplift women of color. The program honors individuals who use the power of their voices in multiple spaces and help to bring together phenomenal women in their respective industries to give them their flowers. This event provides RO with the opportunity to recognize the contributions made by talented local culture creators who create safe spaces for their city and their communities.

[Rolling Out](#) has curated the SWS phenomenon into a 10-city series of celebrations, honoring women whose superpowers come through inspiration, sacrifice and their

commitment to themselves and others to thrive. The SWS Awards Dinner recognizes women whose achievements and dedication have made a significant impact on countless lives. This illustrious group of honorees consists of entrepreneurs, corporate executives, and civic and cultural trailblazers.

This year’s ten-city tour kicks off in Atlanta on Thursday, May 4 at The W Hotel Downtown Atlanta. The renowned group of SWS honorees empower their communities through hard work, sacrifice, and perseverance. Guests will enjoy an elegant evening celebrating the accomplishments of twelve powerful female leaders representing Black excellence in the city of Atlanta. The event will be hosted by award-winning journalist and Fox TV host Portia Bruner.

Doors will open at 6:45pm, and the program begins promptly at 7pm. For more information about this and past SWS Awards, visit our website.
