

CaveMan Launches Latest Addition to Shower Essentials Line

TAMPA, FLORIDA, UNITED STATES, May 4, 2023 /EINPresswire.com/ -- Leading men's grooming and personal care brand, [CaveMan](#), is set to release its newest product very soon: the CaveMan Body Wash. Formulated with antibacterial Bamboo and Tea Tree extracts, this body wash helps detoxify the skin and wash away oils, dirt, and sweat while protecting against irritation, itching, and breakouts. Carrot Root extract moisturizes, clarifies, and brightens the skin, while Clary Sage Oil provides a cooling and soothing effect. Lemon extract helps control oil production and unclogs pores, leaving an invigorating, refreshing clean scent.

"Our goal is to enhance men's shower experience by providing a product that cleanses, exfoliates, and moisturizes, all in one bottle," said Joey Custodio of the development team. "We formulated CaveMan Body Wash with deep-cleansing crystals to gently exfoliate dead skin cells and eliminate dryness and chafing. We added organic extracts to aid in protecting, soothing, and hydrating the skin," Custodio added.

CaveMan Body Wash is easy to use. Apply a generous amount to the body during each shower. It can be used on a loofah, washcloth, or directly applied to the skin with your hand. Rinse well. It is safe for daily use and for all skin types.

The new CaveMan Body Wash will be available very soon [CaveMan.club](#) and Amazon.com.
