“

With the increasing complexity and global nature of procurement and contract management, there is a growing demand for professionals who possess the expertise to drive positive outcomes for companies”

Bok Yan Lo

[Certifications \(www.charteredcertifications.com\)](https://www.charteredcertifications.com), a leading global provider of certified executive programs and conferences, is proud to announce the launch of the Certified Procurement Contracts Manager (CPCM™) program. Developed in collaboration with thought leaders and top industry experts from prestigious institutions, this innovative program is designed to equip professionals with the essential knowledge and tools to excel in procurement contract management and drive efficiency, transparency, and value creation in organizations.

The CPCM™ program covers a comprehensive range of topics, including procurement processes, types of

procurement contracts, legal frameworks, regulatory compliance, negotiation techniques, risk management, and dispute resolution. Participants will gain insights into the latest industry trends and best practices while acquiring hands-on experience through case studies and real-world simulations.

"With the increasing complexity and global nature of procurement and contract management, there is a growing demand for professionals who possess the expertise to navigate the challenges and drive positive outcomes for organizations." said Bok Yan Lo, Managing Director of the Chartered Institute of Professional Certifications. "The CPCM™ program addresses this need by providing professionals with the knowledge and skills necessary to excel in this critical field."

Fully accredited by the Chartered Institute of Professional Certifications, the CPCM™ program is designed to offer flexibility, with various delivery options available, including [on-demand](#) and [live](#) in-person classes.

Upon completing the CPCM™ program, graduates will receive the Certified Procurement Contracts Manager (CPCM™) designation, a trademarked credential that is globally demanded and recognized by companies and organizations across the industry and exclusively granted to professionals who have successfully passed our accredited program. The program has also been independently certified and accredited by CPD, adhering to the highest standards of Continuing Professional Development principles.
