

LEMO New 12G-SDI 4K UHD Wins TWO Product of the Year Awards at 2023 NAB Show

Broadcast, Medical, Medical Imaging, Test & Measurement, and Unmanned Vehicles

LAS VEGAS, NEVADA, UNITED STATES, May 4, 2023 /EINPresswire.com/ -- LEMO Corp. announced today that its 12G-SDI 4K UHD connector is a winner in the 2023 NAB Show Product of the Year Awards in TWO categories: Camera Support, Control and Accessories and Hardware Infrastructure. This official awards program recognizes some of the most significant and promising new products and technologies showcased by exhibitors at NAB Show.

NAB Show Product of the Year Award Winners were selected by a panel of industry experts in 15 categories and announced in a live awards ceremony at NAB Show on April 18. To be eligible for an award, nominated products had to come from companies exhibiting at the 2023 NAB Show and be delivered within the 2023 calendar year.

"We are very proud to be the recipient of this year's NAB Product of the Year Awards," said Farhad Kashani, President of LEMO Americas. "It's an honor to be recognized for our commitment to excellence, innovation, and quality in all our actions as a proven leading supplier of interconnect solutions."

LEMO 12G-SDI 4K UHD Features

LEMO New 12G-SDI 4K UHD Wins TWO 2023 NAB Show Product of the Year Awards

LEMO 12G-SDI 4K UHD connector wins Product of the Year

The following key features ensure high-quality and extremely reliable interconnect solutions for the broadcasting and medical segments:

- Security of the Push-Pull self-latching
- Compact design for space savings
- Coaxial 75 Ω
- 360° screening for full EMC shielding
- Wide temperature range - 55°C / + 260°C*
- Blind mating
- Bend relief color coding
- Finger proof
- Index protection on mated condition IP50
- Number of mating cycles > 1000
- Latch retention force (average) 250 N
- UL compliant
- Knurled crimping collet for better cable retention.
- Low VSWR/Return loss

*operating temperature for the bridge is: - 20°C, + 90°C

“During our centennial year, NAB continues to recognize the products that are transforming how content is being created, connected and capitalized throughout the broadcast, media and entertainment industry,” said NAB SVP and Chief Customer Success Officer Eric Trabb.

“Congratulations to LEMO Corp. for winning the 2023 NAB Show Product of the Year Award in recognition of 12G-SDI 4K Ultra-High-Definition, a product that has demonstrated its ability to help storytellers face the challenges of the present and future by revolutionizing a critical stage of the content lifecycle.”

About LEMO:

LEMO is the industry pioneer in the design and manufacture of high-quality and high-performance interconnect solutions. LEMO's Push-Pull and ratchet coupling connectors are found in a variety of challenging application environments including medical, industrial & machines, automotive, test & measurement, defense, audio-video and telecommunications.

LEMO has been designing precision connectors for more than 75 years. Offering over 90,000 combinations of products that continue to grow through custom-specific designs, LEMO and its brand REDEL, NORTHWIRE and COELVER currently serve more than 150,000 customers in over 80 countries around the world.

About NAB Show

NAB Show, held April 15-19, 2023, in Las Vegas, is celebrating its centennial year as the preeminent conference and exhibition driving the evolution of broadcast, media, and entertainment. It is the ultimate marketplace for next-generation technology inspiring superior

audio and video experiences. From creation to consumption, across multiple platforms, NAB Show is where global visionaries convene to bring content to life in new and exciting ways. More information is available at www.nabshow.com.

About NAB

The National Association of Broadcasters is the premier advocacy association for America's broadcasters. NAB advances radio and television interests in legislative, regulatory, and public affairs. Through advocacy, education, and innovation, NAB enables broadcasters to best serve their communities, strengthen their businesses and seize new opportunities in the digital age. More information is available at www.nab.org.
